Mr. Obalinga is one of the most successful hoteliers in Mpande Town Council. He owns Kamere Hotel, one of the biggest hotels within the taxi park in the town council. In this hotel, foods like matooke, yams, cassava, sweet potatoes, rice, pumpkins are prepared. Fish, beef, beans, chicken, goat meat, peas, cabbages and groundnut stew are prepared to be served with food.

When a customer enters this hotel, waitresses welcome him/her to show customer care. This customer care is important because it helps in attracting more customers. A menu is given to a customer to find out what he/she will eat. Every meal served in this hotel goes with a piece of apple or water melon which acts as a dessert.

Kamere Hotel is liked by many people because it's within the taxi park so every body can easily reach it. Besides that, the food served in the hotel is affordable and delicious.

Last month, when aunt Monica was coming to visit us, she decided to have lunch from that hotel. On arrival at the hotel, she was received and given a seat. She looked at the menu and ordered for yams, matooke, sweet potatoes and goat meat plus a piece of pineapple.

Very helpful I am

Accident victims, the injured, the sick
I do wonderful work for them
By bringing them back to life.

Their lives would be no more,
Thermometers to record body temperature
Drugs I give them to reduce pain,
Injections, to cure diseases,
Surgical scissors I use when cutting,
Gauze sponge to clean wound,
All I use.

For I help mothers deliver
Those who fail, I operate
With knowledge I got
