### **SECTION B**

**Read the story below and answer the questions about it in full sentences**

51. Lazia's mother produced a baby boy three months ago. After producing the baby, she was given a three – month leave at her place of work. She works with Umeme Distribution Company as a secretary.

Lazia's Mother's leave ended last week so she has to go back to work. She woke up very early in the morning on Monday and prepared for the baby. She left the clean linen on the dressing table, put the milk in a flask which she put on the dining table and put the clean baby's bottle in a bucket.

She told Shamillah Mubah, the maid to bathe the baby with lukewarm water. She showed her the towels she would use to dry the baby. She gave her two brushes she would use to brush its hair and also the lotion to use on its body. She had taught her how to use the baby powder, how and when to change the nappies and the vests.

Lastly, she set the alarm clock to remind her when to give the baby cough mixture since it had developed a cough. She then wished her a good day and left for work at exactly 8.am.
