In Uganda, the Uganda National Examination Board controls all the major examination from primary seven to senior six. All primary seven candidates sit for Primary Leaving Examination. If they pass it, they go to secondary schools of their choices. This means they have gone to 'O' level or ordinary level.

At whatever level, candidates must work very hard. Hard work means they should do a lot of revision on their own, in groups or with their teachers.

On the examinations day, candidates must never panic. They should keep relaxed and calm. The work in the examination papers is what they have already learnt or covered. Candidates should have been briefed by their teachers and head teacher the previous day. They should therefore expect to meet the invigilators and supervisors in their schools on the examinations day.

The candidates should listen to and follow the instructions carefully. Anyone found engaged in any form of malpractice may be disqualified or even imprisoned.
