Dear Mrs Okoko
Re: **APOLOGY**

I am writing to apologise for failing to complete my homework meant for Wednesday, 10 August 2022.

I failed to complete the homework because I reached home late. My father's car had broken down and he rang the mechanic who came after thirty minutes to start fixing it. By the time he completed repairing it, it had clocked 9:30 p.m and I was yawning because of fatigue and sleep.

I promise to have that work done together with that of Friday, 19 March 2022.

I shall be very grateful if my apology is accepted.

Yours sincerely,

Nailuba Mary

Transport Transport
You are the system
By which people or goods
Are taken from one place to another.

In different ways you are used
Land transport being top on the list
Buses, lorries, cars, trains, motorcycles and bicycles
All are used cheaply on land.

Air transport is also part of you
The quickest means though not commonly used
Many people always longing for it
At least once in their life time to use it.

Water transport is yet another branch of you
Not liked by many for fear of drowning
But carrying bulky goods it's second to none
With ships, ferries, canoes and boats it does the job.
