SECTION B (50 MARKS)

51. **Read the passage below carefully and in full sentences answer questions that follow.**

Uganda is one of the East African countries that practices democracy. In 2016, there was a general election in this country on 18th February. That year still lingers in the minds of several Ugandans because of what happened during the electoral process. Because of the elections, there was a great delay in the commencement of the opening of term one. It was extended to further two weeks.

As usual, H.E Yoweri Kaguta Museveni emerged the winner amongst all the presidential aspirants. Theses aspirants among others included; Rt. Col. Dr. Kiiza Besigye, Amama Mbabazi, Mourine Waluube Kyalya, Abed Bwanika and Mibirizi who came last in the race. Thanks to Engineer Dr. Badru Kiggundu for declaring the results in favor of the incumbent, His Excellency Yoweri Kaguta Museveni.

Besides the presidents, several candidates were elected as Members of Parliament representing different political parties, FDC, UPC and NRM which had the majority number of seats. The courts-of-law withdrew many of these candidates even after being sworn in as members of parliament who among others included; the famous Peter Ssematimba, Mugema Panado of Iganga and Brandon Kagoma who is commonly known as 'Musayimuto'. However, one would ask oneself, "Why swear in the names of the Almighty God yet you bribed voters and didn't have the required academic qualifications?" How I wish all election appeals be settled before people are sworn in! Remember, all this wastes the tax payer's money.
