-Observation of weather changes.

-Recording of weather changes.

15. Why should a pilot need to know the weather information?

-To avoid disasters.

16. What word is used to refer to the violation of children's rights?

-Child abuse.

17. Give two effects of the violation of children's rights.

-Leads to low self esteem.

-Leads to depression.

-Leads to mental disorders.

18. Give one thing that can be done to reduce violation of children's rights.

-Setting up strict laws against the violation of children's rights.

-Giving harsh punishments to those caught violating children's rights.

-sensitizing people on the dangers of violating people's rights.

19. Study the table showing exports from country M and use it to answer the questions below.

Export	Income in billion shillings
tourism	15
coffee	X
minerals	60
timber	5

20. Mention the invisible export of country M.

-Tourism

21. Which export earns the highest income for country M?

-Minerals

22. How much was earned on timber exports?

-5 billion shillings.

23. If the total earnings from exports was 109 billion shillings, calculate the income earned from coffee.

$109 - 80 = 29$ billion shillings.

24. Name the body that organizes national elections in Uganda.

-Electoral Commission.

25. Give three reasons why national elections should be held regularly in a country.

-To promote peace.

-To promote democracy.

-To promote unity.

-To promote peaceful power transition.

26. Give any one challenge faced by the above named body during national elections.

-Lack of funds.

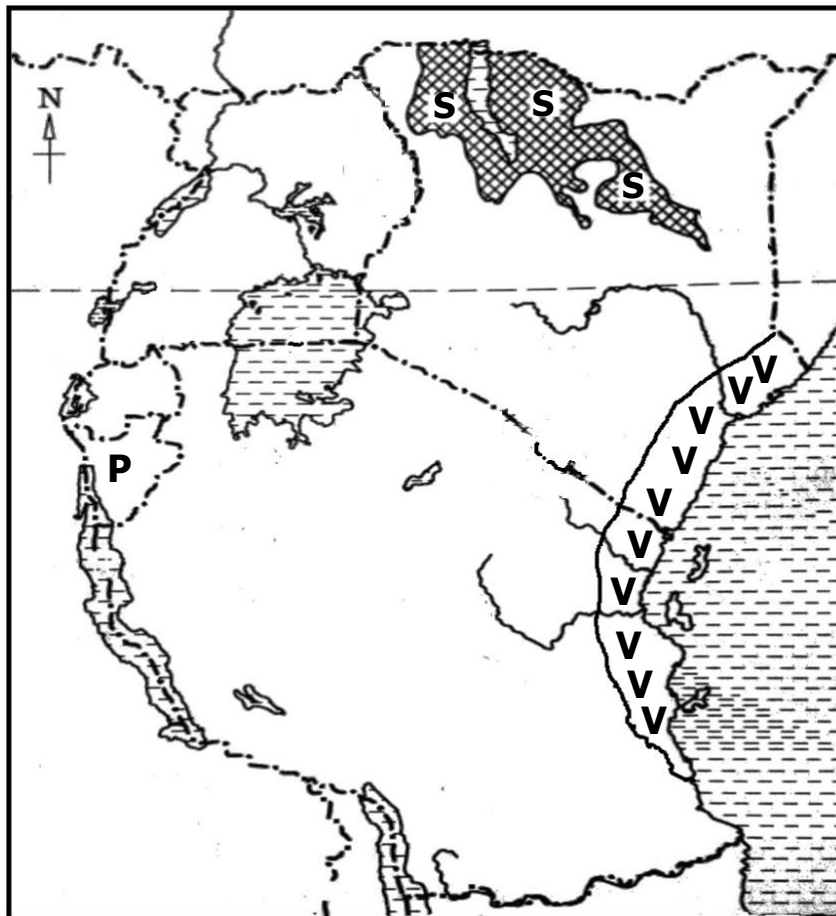

-Lack of manpower / labour.

-Rigging of votes.

-Violence.

-Voter bribery.

Study the sketch map of East Africa below and use it to answer the questions that follow

27. Name the capital city of Burundi.

-Gitega

28. Mention the physical feature marked vvvv

-coastal plains

29. Give one reason why people in area ssss move from one place to another.

-To look for water and pasture for their animals.

30. What was the largest slave trade market in East Africa?

-Zanzibar.

31. Give two reasons why Arabs carried out slave trade in East Africa.

33. Name one dam that had been built on River Nile.

-Bujaagali dam

-Sennar dam

-Karuma dam

-Owen falls dam

34. Give two importance of dams to the people of Uganda.

-Source of employment to people.

-Source of electricity.

35. Give one problem faced by people living near river banks.

-Attacks from disease causing vectors.

-Attacks from dangerous aquatic animals.

36. Match the following.

List A	List B
District Education Officer	Inheritance
LC I Chairperson	Appointment
Scouts and Girl Guides	Elections
Kings	Volunteer

- District Education Officer - **Appointment.**
- LC I Chairperson - **Elections**
- Scouts and Girl Guides - **Volunteer**
- Kings - **Inheritance**

Study the climate table of place F below and use it to answer the questions that follow.

Months	J	F	M	A	M	J	J	A	S	O	N	D
Temperature (°c)	114	99	104	110	126	143	114	114	100	116	120	148
Rainfall (mm)	23	21	22	22	24	25	22	23	24	24	25	26

37. Name the month with the lowest amount of rainfall.

-February

38. Why can crops be grown throughout the year in place F?

-It receives rainfall throughout the year.

39. Calculate the temperature range

Highest - Lowest

26 – 21 = 5⁰c of temperature

40. Name the type of climate

-Equatorial climate.

41. Name the organization that unites most countries of Africa.

-African Union.

42. Why is Addis Ababa town important to the above organization?

-It houses its headquarters.

43. State two challenges faced by the above organization.

-Political instabilities.

-Dictatorship.

-Shortage of funds.

-Difference in political ideologies.

44. What guided Abraham to make good decisions?

-His faith in God.

45. Mention the organization that unites most religions in Uganda.

-Inter Religious Council of Uganda.

46. Give two contributions of the above organization to the people of Uganda.

- It has promoted peace in Uganda.
- It has employed the people of Uganda.

47. Give one reason why religions in Uganda should relate well with each other.

- To control religious wars and conflicts among different believers.

48. What sacrament joins a man and a woman as husband and wife in Christianity?

- Holy Matrimony.

49. According to the Bible, what should a good husband do to his wife?

- A husband should fulfill his marital duties to his wife.

50. Give two reasons why Christians should marry.

- For companionship.
- To co-create. / To produce children

51. Who was betrayed by Judas Iscariot?

- Jesus Christ.

52. Give two reasons why people betray others.

- Jealousy of others.
- Greed for wealth of others.

53. What should a Christian do to a person who has betrayed him or her?

- To forgive him and ask him to repent.

List A	List B
Noah	Was husband of Eve
Adam	Was swallowed by a big fish
Moses	Built the Ark
Jonah	Led the Israelites out of Egypt

- Noah - **Built the Ark**
- Adam - **Was husband of Eve**
- Moses - **Led the Israelites out of Egypt**
- Jonah - **Was swallowed by a big fish**

54. State any one contribution of John the Baptist in spreading Christianity.

- He taught about repentance.

55. Give any reason why the government is constructing health centres at every parish levels in Uganda.

-To ease service delivery.

56. Give one use of clouds.

-Help to bring rainfall.

57. Give any reason why Ethiopia was not colonized.

-Ethiopia had strong leaders.

-Ethiopia had a strong army.

-The mountainous nature of Ethiopia helped them to defend themselves.

58. Name the government organ that approves the national budget.

-Legislature.

59. Give one traditional mean of communication.

-Horns

-Drums

-Smoke signals.

60. State one way children promote peace at school.

-By sharing with one another.

-By respecting ones property.

61. How do industries benefit from a high population?

-Industries get enough labour force.

-Industries get market for their produced goods.

62. State one contribution of Grace Ibingira towards the independence process of Uganda.

-He designed the Uganda flag.

63. Why is Kabale cooler than Moroto?

-Kabale is on a higher altitude while Moroto is on a lower altitude.

64. State one danger of disposing waste materials into water bodies.

-It leads to water pollution.

-It leads to death of some aquatic water animals.

65. Why did colonialists use indirect rule?

-It was cheap.

-To avoid rebellions.

-To ease language barrier.

-They never wanted to be blamed in case of anything wrong.
