## **SECTION A**

### **STILLLIFE**

#### **EITHER**

On a lower platform next to the door close to the wall, place a medium box approximately measuring **25cm by 30cm and 60cm high**. On the left slightly behind of the box, place a **20litres** jerry cane in a 3/4view.

In the box which is widely open, on your left place a broom (inside broom) in its upright position leaning on the wall and on the box. Also inside the box but on your right, put a coloured drapery covering the right hand side of the box and spreading on the floor.

#### **OR**

On a low table, place a metallic charcoal stove of about 28cm diameter and 25cm high in its upright position with its opening facing the candidates at a  $\frac{3}{4}$  view.

To the right of the charcoal stove place **3** maize cobs and a few others placed randomly on a mesh which is put on the charcoal stove but tilted in a 3/4view.

In front of this group, place a small knife in its upright position such that the hand touches the ground and the blade on the stove.
