

### **Task One:**

Conduct an interview with one of your family members who may be in business and find out the following. Write down the findings in your note book.

- i. How she/he started the business
- ii. What has helped him/her to succeed
- iii. The benefits he/she enjoys by doing the business
- iv. The challenges he/she is facing
- v. The functions he/she plays as an entrepreneur

### **Task Two**

**Creativity** is the ability to produce something new through imaginative skills; a new solution to a problem, a new method or device or a new artistic object.

It is the ability to produce work that is unique and appropriate.

**Innovation** means to do something in a different or in a better way.

Practice creativity and innovation using locally available materials to produce new and unique products.

Keep your products; they will be displayed in class.
