

UNNASE MOCK EXAMINATIONS

Uganda Certificate of Education

Principles and Practices of Agriculture

Paper 2

CONFIDENTIAL INFORMATION

Great care should be taken that the information given below does not reach candidates either directly or indirectly.

A candidate is to be provided with each of the specimens, where a specimen is to be used by more than one candidate; the supervisor must devise a suitable system to enable the candidate to take turns at each specimen.

Specimens must be labelled by code letter given and clearly displayed for candidates to see.

Each candidate should be provided with the following.

- | | | |
|---|---|----------------|
| ○ 50cm ³ of dry sand soil | – | A |
