MARKING SCHEME FOR AUGUST 2019 S101
GENERAL PAPER
PAPER 1

This marking scheme is published as an aid to teachers and candidates to indicate the requirements of the examination. It shows the basis on which examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an examiners meeting before marking.

All examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question paper.

JJEB will not enter into discussions or correspondence in conjunction with the work schemes.
