TECHNICAL DRAWING

(GEOMETRICAL DRAWING)

Paper 1

INSTRUCTIONS TO CANDIDATES

- This question paper consists of two sections, A and B.
- Answer four questions, choosing two questions per section.
- All questions carry equal marks.
- A sheet of paper size A2 is provided. You may use both sides of the drawing paper for your answers.
- Drawings are not to scale. Unless otherwise stated in questions, strictly geometrical methods must be used; but lines which are parallel, perpendicular, or inclined at 30^0 , 45^0 , 60^0 , to other lines may be drawn without showing construction lines.
- All dimensions of the figures are in millimeters.
- Unless otherwise stated, solutions are to be drawn full size.
- No dimensions are required on any solutions unless specifically requested.
- Write your name, examination and admission number in a title block at the bottom right-hand corner of your paper.
